Community Centre

TEFL Certificate

12 weeks (120 hours)

Hybrid format with online modules
and in-person training/practicum

In affiliation with Concordia University

Together we aspire and inspire!

Why should YOU become TEFL certified?

Teach Abroad

Travel, educate, be free, and make money while teaching in Europe, Asia, the Middle East, Africa, Canada or the USA.

Find your passion

As you help students find their way, you often learn from them, too. You will be able to discover your vocation in life.

Future employment

Boost your CV for the public or private sector, with opportunities to teach adults or children.

What You'll Achieve

Course Outcomes

The course enables candidates to:

Essential Knowledge

acquire essential subject
knowledge and familiarity with the
principles of effective teaching

Practical Skills

acquire a range of practical skills
for teaching English to adult
learners

Real Application

demonstrate their ability to apply
their learning in a real teaching
context

Informed Choices

make informed methodological
choices

Reflection

reflect on your teaching practice

Teacher Identity

build a coherent and strong
teacher identity

You will receive:

- tutorial support and consultation
- supervised lesson planning
- assessed teaching practice per candidate
- feedback on teaching practice from the ELT professionals and your students

- peer observation of actual teaching practice (i.e. watching the other candidates' lessons)
- hybrid and a/synchronised courses on English language grammar, teaching methodology, testing and assessment, etc.

differences**

What You'll Achieve

Week to week

Weeks 1 & 2

Learn grammar, basic teaching approaches, methodology and observe classes.

Weeks 3-12

Teach under the supervision of [Linguistic.ca](https://www.linguistic.ca) staff. Create reports and get feedback on your teaching.

Week 12

Learn how to administer assessments under the supervision of [Linguistic.ca](https://www.linguistic.ca) staff. Finish final observations, and take the final evaluation in order to receive your certificate.

How you will be assessed

Continuous Evaluation

Your progress will be measured through multiple assessment methods:

Weekly teaching reports from your teaching practicum

Weekly students' reports

Peer-reviewed reports

Final exam assessing your practical knowledge of course materials and teaching techniques
